# SALT MADE

Design decor: Lisa Keller

Wie das Salz in der Suppe, so prägen die kleinen Salzkristalle auch das neue KAHLA Dekor salt made. Erdige, sanfte Farbverläufe werden abgelöst von kontrastreichen Konturen, mal filigran und mal robust. Mit salt made lassen sich alle Gänge köstlich anrichten, mit natürlichem Charme und der wahren Liebe zum Handwerk.

*Just like the salt seasons the soup, tiny salt crystals add spice to the new KAHLA décor salt made. Earthy, soft colour gradients alternate with high-contrast contours that are sometimes intricate, sometimes bold. Served on salt made, your meals will be displayed with a natural charm and the love for craftsmanship*
