THOMAS O'BRIEN

Reed & Barton is proud to introduce this exciting new tableware collection from Thomas O'Brien. The collection, inspired by a 19th century french tile catalog that O'Brien discovered in his travels, is a refreshing interpretation of classic pattern and color, for casually elegant dining and entertaining.

MAISON COULEUR COLLECTION

DINNERWARE

Maison Couleur is a refreshing interpretation of classic pattern and color, for casually elegant dining and entertaining. In two styles, Diamant N°10 and Ardeche N°35, grids of joined diamonds and elegant quatrefoils were adopted from the pages of the catalog for their history and versatility. A third pattern, Martine N°16 is a more basic design that shows the actual framing and cream color. All three are easy to mix both in colorway and in pattern.
