250 YEARS OF THE FINEST ENGLISH CRAFTSMANSHIP

The Wedgwood Artisan Collection is the jewel in the Wedgwood crown, representing over 250 years of innovation and English craftsmanship.

The ornamental pieces and tableware that form the collection are handmade in England, from proprietary heritage materials including Jasperware, Queensware, and fine bone china.

Each piece is a unique work of art, hand made by a select few artisans, many of whom have spent decades perfecting their craft. Produced using materials and techniques that Josiah Wedgwood himself perfected, the pieces create a beautiful link to the past and create timeless focal points for the home.

LEE BROOM
