sommeliers
RESTAURANT

Sommeliers Restaurant (2013) was introduced to commemorate Claus J. Riedel's revolutionary Sommeliers series first presented at the Italian Sommeliers congress in Orvieto (October 1973) celebrating its 40th anniversary in 2013. Claus Riedel was the first glass maker in history to discover that the shape of the glass affects the enjoyment of wine.

Riedel created 2013 the Sommeliers Restaurant glasses to answer the demand of the hospitality industries for varietal-specific glassware which heightens the wine experience for the guest. In order to avoid confusion will each Sommeliers Restaurant glass carry on the base it's own identification highlighting "Riedel Restaurant" on the stem's base.

FATTO A MANO
by Riedel

"Fatto a Mano", meaning hand-made in Italian, is RIEDEL's colourful wine glass series. Hand-made in Austria, this stemware collection bears the typical attributes of a RIEDEL product: varietal specific, thin blown, unadorned, and standing tall on slender stems.

RQ = this item is supplied as ‚Restaurant Quality' meaning that it may contain small imperfections when compared to the same item in ‚best quality' and, as such, is offered at a special purchase price exclusively for use in restaurants.

The available colours for the stems of the glasses are white, black, yellow, red, green, pink or blue.

Additionally, RIEDEL offers a special edition with a twisted stem in black and white. 8 shapes of this special edition are available: Bordeaux Grand Cru, Burgundy Grand Cru, Cabernet/ Merlot, Old World Pinot Noir, Old World Syrah, Champagne Wine Glass, Riesling/Zinfandel, Oaked Chardonnay.

EXTREME

Extreme glasses are named for their extreme contours and have diamond-shaped bowls that angle out dramatically before narrowing at the top. The result is an exceptionally wide evaporation surface that intensifies and enhances silkiness in the mouth of New World wines, which tend to be more fruit driven in style.

DECANTER · HANDMADE · FINE CRYSTAL

Since RIEDEL whole-heartedly believes all wines - young and old, red, white or sparkling – can be enhanced by decanting, it is only natural that they would have a wide selection of decanters in their collection; many elegant, complex, hand-made designs. Decanting young wines in RIEDEL decanters gives the wine a chance to bloom and attain a stage of development that normally requires years of aging – liberating the aromas, intensifying the fruitiness of the mid-palate and rounding out the texture. While decanting older wine, allows the wine to separate from any deposits that may have formed in the bottle over time. RIEDEL'S decanters are sculptural enough to qualify as art but are also incredible triumphs of functionality – a classic RIEDEL hallmark.

RIEDEL

THE WINE GLASS COMPANY

RIEDEL Crystal is a 300 year-old family owned company known for its creation and development of varietal-specific stemware. RIEDEL Crystal is the first in history to recognize that the taste of a beverage is affected by the shape of the vessel from which it is consumed, and has been recognized for its revolutionary designs complementing alcoholic beverages and other drinks.

In 2013 the company began a new era of innovation, applying its knowledge of form and function to non-alcoholic beverages. Accepting the invitation of the Coca-Cola Company, and with the support of its Atlanta based flavor experts, RIEDEL applied its taste-tested blueprint to create a finely-tuned, specific shape to enhance the enjoyment of the world's most iconic beverage, classic Coca-Cola. Concurrently, RIEDEL began its first introduction into hot beverages,utilizing the expertise of Nespresso's coffee authorities in Lausanne, Switzerland to develop two machine-blown shapes for espresso, which amplify the distinct flavors of the coffee leader's popular coffee blends.
Since its founding in 1756 and its pioneering of varietal-specific stemware beginning in 1958, RIEDEL has become the brand of choice for wine connoisseurs, hospitality professionals, and consumers worldwide. RIEDEL glassware is distributed worldwide and can be readily found at retailers and fine dining destinations
