### 4. INFORMATION ABOUT SILK SCREEN DECORATION:

In decorating glass with the screen printing process, colour is pressed through a silk screen to the glass surface and fixed to the glass during a temperature treatment. The colours, used by RIEDEL, are organic colours without heavy metals (such as lead, barium, etc.) or other toxic components. These colours have a high dishwasher resistance, but compared with ceramic colours a lower mechanical resistance.

### 5. ATTENTION:

The water hardness for cleaning glass, should not be less than 3° d.H.

Glasses with organic colours should be placed in the dishwasher in a way that they cannot make contact with each other during the washing process. If cleaning the glasses by hand, please do not use a scouring brush or abrasive detergents.

Be aware that fully desalinated water is extremely aggressive to both the glass surface and screen print decoration.

Over/underproduction (+10/-10 %) may be possible and will be billed accordingly.

## MICROFIBER POLISHING CLOTH

- Wash at boiling temperature (to kill bacteria) with odorless soap
- Should be machine washed at min. 170° F/60° C
- Never use fabric softener when rinsing your microfiber polishing cloth (avoids grease film on surface)

## CARING FOR YOUR RIEDEL CRYSTAL

- All RIEDEL glasses are DISHWASHER SAFE for 1,000 plus cycles.
- To avoid stains: use soft water (low mineral content)

## IF WASHING BY HAND

CAUTION: A Riedel glass is a grape varietal specific wine tool! This shape works best with wines made from specific grapes. Please read the instructions below to guarantee maximum enjoyment. Riedel has researched the

grape varietal sensation, leading to the conclusion, on which the world's wine experts agree; that the enjoyment of aroma, taste, texture and finish of a wine, is maximized by using the right "WINE TOOL"

## Rules when handling connoisseur glasses

### 1 Filling the glass

Do not over-pour. This will ensure maximum development of the wine's bouquet, and also provide the most elegant table setting.

### 2 Holding the glass

The appropriately filled glass should always be held by the stem rather than the bowl.

### 3 Swirling the glass

Carefully swirling the glass allows oxygen into the wine by increasing its surface area and helps release the wine's rich, mature aroma.

### 4 Why and how to decant wines

To decant wine means to transfer it from its bottle to a decanter or carafe before drinking. During storage or aging, wine can develop a solid deposit or sediment at the bottom of the bottle. Decanting is an easy means of separating the sediment from the wine. It also helps the wine breathe, as the greater surface diameter lets more oxygen reach the wine than the bottle does.

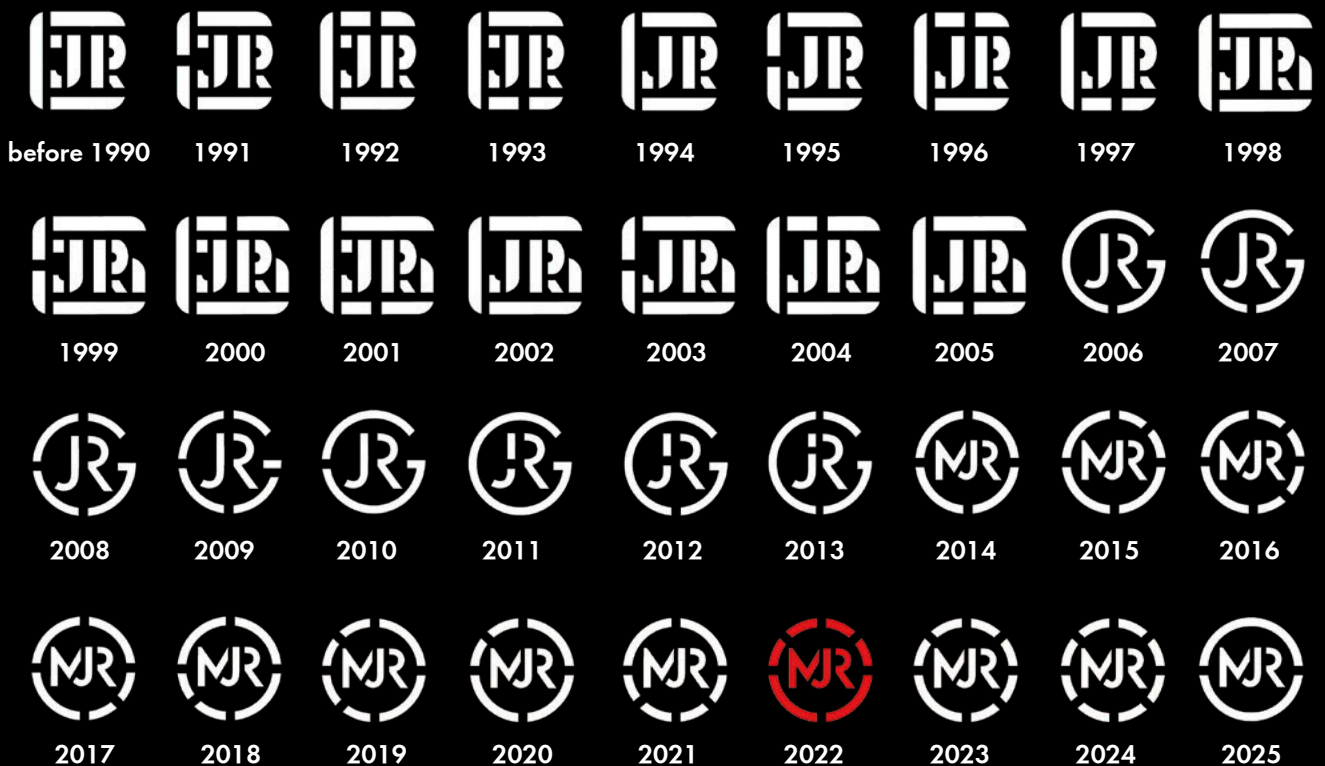

### 5 Wine temperature

Before decanting/or serving wine, store it at appropriate temperatures (red wine 59-63°F, 15-17°C, white wines at 50-54°F, 10-12°C). The proper serving temperature enhances the quality of the wine by allowing it to fully develop its characteristic aromas and flavours.

(2) **RIEDEL**

The RIEDEL TRADEMARK dates from the Art Nouveau period at the end of the nineteenth century, and was used for RIEDEL glassware made in Bohemia from 1890 to 1925. In 1996, to commemorate RIEDEL'S 240<sup>th</sup> anniversary, we reintroduced this trademark for all our handmade and hand-finished products. The distinctive Riedel signature is now featured on the base of all these products. This signature trademark (1) helps our customers to distinguish immediately between handmade, hand-finished products and those made by machine (2). Our machine-made products carry this trademark. The RIEDEL glass dynasty is built on the creative energies of a long line of glassmakers. The story begins in 1756 in Bohemia and continues right down to the united Europe of today, taking in on the way some of the most dramatic events in European history.

## 1. Scope of Application.

All provisions of goods and services by Tiroler Glashütte GmbH ("TG") to or for the benefit of each customer of TG (the "Customer") shall be subject to the following General Terms and Conditions of Contract (the "T&C"), unless otherwise expressly agreed upon in writing and signed by TG. By placing an order with TG for the supply of products sold by TG (the "Products") and/or for services provided by TG or otherwise accepting the supply of Products and/or services by TG (or any part thereof), Customer (a) agrees to purchase the Products and services on and subject to the T&C and (b) acknowledges and agrees that, in respect of any other terms and conditions (including terms and conditions accompanying any purchase order or received from Customer): (I) those terms and conditions are not effective and TG will not be bound by them; (II) the T&C supersedes and replace any such terms and conditions in their entirety; unless such terms and conditions are duly acknowledged and expressly agreed to in writing and signed by TG. For the avoidance of doubt, the acceptance of orders or performance of services by TG shall not be regarded as the grant of any entitlement to future fulfillment of orders or provision of services by TG, and nothing in the T&C shall be construed as creating a relationship of exclusivity between Customer and TG.

## 2. Orders.

**2.1.** All orders by Customer (the "Orders", or each an "Order") shall become legally effective and binding on Customer upon TG's delivery of its written acceptance of each such Order (an "Order Confirmation") or, in the absence of such Order Confirmation, by delivery of the Products comprising such Order to Customer. Customer may modify any Order at any time before TG's delivery to Customer of the Order Confirmation for such Order (or in the absence of such Order Confirmation, delivery of the Products comprising such Order), but under no circumstances shall Customer be permitted to modify any Order more than five (5) calendar days after placing such Order. TG will communicate expected lead-times of Products in the respective Order Confirmation (in this context also see **Clause 6.4.**)

**2.2.** Once an Order is confirmed by TG or delivered to Customer, such Order may not be cancelled by Customer except with the prior consent in writing of TG, in which case Customer will be liable to TG for all costs, expenses and other losses incurred by TG in connection with such cancellation.

**2.3.** TG reserves the right, in its sole discretion, to (I) reject any Order at any time without giving any reasons before sending the Order Confirmation (or, in the absence of an Order Confirmation, before delivery); (II) cancel any Back Orders (see **Clause 2.9**) at any time by giving Customer notice of such cancellation; (III) accept Orders only with respect to amounts that from experience correspond with usual quantities ordered by enterprises of comparable size; and/or to (IV) terminate any framework agreement possibly existing at any time with immediate effect without giving any reasons.

**2.4.** Customer shall comply on all its Orders with all guidelines communicated by TG regarding minimum Order values and minimum Product Orders, including those set out in the T&C.

Delivery times will be prolonged where any Force Majeure Event occurs. If Products, which are ready for shipment, cannot be shipped through no fault of TG or if Customer does not want Products to be shipped, TG may store Products at Customer's cost and risk, whereby delivery shall be deemed fulfilled. The agreed payment terms are not changed thereby.

**6.6.** Retail-Products are shipped in brown master packs (order units). Partial deliveries of an Order (i.e. deliveries by instalments) are permitted. Customer shall pick-up all available and prepared Products, including partial deliveries of an Order, within ten (10) business days as of the communicated delivery date. If Customer informs TG that Customer will not collect the respective delivery or if Customer fails to pick such delivery within this ten (10) business days window, TG shall be entitled to either (I) partially or in total cancel the respective Order or (II) to store the Products at Customer's cost (at EUR 20 net per pallet per week) and risk, whereby delivery to Customer shall be deemed fulfilled and will be invoiced.

## 7. Partial Delivery.

Deliveries by instalments (i.e. partial deliveries) shall be permitted and may be invoiced. If TG delivers any of the Products by instalments, and any one of those instalments is defective/non-compliant for any reason (as defined in **Clause 8.**), it is not a repudiation of the contract of sale formed by the T&C.

## 8. Notice of Defects/Non-Compliance, Warranty.

**8.1.** Any defect claims or non-compliances with the contract must be made in writing within **twenty-eight (28) days** from the date of delivery of the Products and in any event prior to their use or re-sale, including a detailed description and photos of the defect or the non-compliance; otherwise the Products are deemed accepted by Customer.

**8.2.** Customer shall assume all risk to Products during transportation thereof. TG shall not be obligated to replace or credit Customer for Products that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation, and Customer shall be solely responsible for filing any and all claims for loss or damage with the responsible entity or entities.

**8.3.** Any defects or non-compliances caused as result of a Force Majeure Event shall be excluded from TG's warranty.

**8.4.** For glass clouding a warranty of 2 (two) years as of the respective production date (bottom stamp) is granted. No warranty is provided for mechanical damages to the surface.

**8.5.** Customer acknowledges that deviations may occur between Products from the same series for technical reasons and because of the materials used in the course of the production of glass products, in particular with respect to size, weight, ovality, or the

vertical axis according to the relevant technical drawings, which cannot be influenced by TG. Handmade Products or handmade Product parts may be subject to sample and size deviations. Therefore, all such deviations between Products, in particular compared to earlier deliveries of the same Product, do not constitute a defect.

**8.6.** In case of a valid claim in respect of any defective/non-compliant Product, TG will, at its sole discretion, either arrange delivery of a replacement Product (subject to its operational capabilities) or issue a credit note for the price paid by Customer to TG for the respective defective/non-compliant Product, but not both. If TG chooses to arrange delivery of a replacement Product, Customer is required to return the defective/non-compliant Product at Customer's cost and risk to the warehouse determined by TG. Any and all other warranty claims of Customer shall to the extent permitted by law be excluded. TG will not replace any Products broken or damaged if master packs are used for shipping (see **Clause 6.6.**). Further, damaged packaging is not replaceable.

**8.7.** The rights relating to defects and non-compliance do not apply in case a defect/non-compliance arises because Customer fails to observe TG's or a manufacturer's Product or Product packaging instructions, recommendations or guidelines, in particular instructions, recommendations and guidelines for processing, handling, use, caring or cleaning of the Product, or by failing to observe generally accepted Product use practices.

## 9. Limitations of Liability.

**9.1.** Where liability for damages is subject to fault, TG's liability for damages – irrespective of the legal grounds – shall in each case be limited in accordance with this **Clause 9.**

**9.2.** TG shall not be liable if and to the extent that Product instructions, recommendations and/or guidelines, in particular instructions for processing, handling, use, caring or cleaning of the Products and/or the Product packaging, and/or generally accepted Product use practices are not observed by Customer or its customer or other persons, unless Customer furnishes proof that the damage would have occurred even if the Product or Product packaging instructions, recommendations and/or guidelines had been observed. Further, TG shall not be liable for any damage or loss resulting from the purchase, handling, storage, packing, labelling, distribution, promotion, use, cleaning or sale of the Products by Customer.

**9.3.** TG shall only be liable for damage to the extent that the damage was caused by TG by gross negligence or willful intent. Liability for slight negligence is excluded, except in the case of personal injury. In such cases, however, TG's liability shall be limited to the foreseeable and typical damage.

**9.4.** The burden of proof lies with Customer.

**9.5.** In all other respects, TG's liability is excluded and Customer shall not be entitled to, and releases TG from, any additional claims, in particular for compensation of indirect damage or loss, or consequential damage, or loss of profits, goodwill revenue, savings or opportunity, whether in contract, tort (including negligence) or otherwise. For clarification, the cost of making a claim under this warranty will be borne by Customer.

**9.6.** Decorations of any kind not been made or commissioned by TG, such as engravings, silk-screenings etc., are the sole responsibility and risk of Customer. TG will not be responsible and shall be excluded from any warranty whatsoever, especially but not limited to that heavy metals or other dangerous materials are applied, or if the material used is not water-resistant or dishwasher-proof. Customer shall indemnify and hold TG and its affiliates harmless from any and all claims, suits, losses, damages, demands, injuries and expenses (including reasonable attorney's fees) arising out of or related to any claims made against TG based on any decorations (such as engraving, silk-screening, etc.) made to the Products by Customer.

**9.7.** Except as provided in the T&C, TG makes no warranties or representations as to the Products or services to Customer or to any other person. All implied warranties, including but not limited to implied warranties of merchantability and fitness for a particular purpose are hereby expressly excluded to the extent permitted by law.

## 10. Returns.

Unless due to their defectiveness or non-compliance Products are returned in accordance with **Clause 8.**, all returns are subject to TG's prior written approval and subject to the exclusions as set out in these T&C. Special Orders, Limited Editions, Products that were un-packed from the original boxes, 2 Glasses 1 Bottle Products, Products that have Authorized Packaging Changes or are engraved, decorated or are personalized in any other way cannot be returned and will not be reimbursed. Returned Products must be part of the current Price Books and in mint, resalable condition, packed in the original undamaged boxes and in the original sealed master packs. Returns must be shipped within thirty (30) days after having received TG's written prior approval and shall be delivered to the warehouse defined by TG, freight, risk and costs at Customer's expense and responsibility. For Products returned in accordance with these provisions and such Products not being defective/non-compliant under **Clause 8.**, the EXW TG warehouse, Germany, Product net price paid by the Customer for the respective purchase will be credited minus a 15% restocking and handling fee. Any returns not in conformity with the foregoing may be refused by TG and will be not reimbursed.

## 11. Intellectual Property Rights.

**11.1.** TG or TG's licensors hold any and all rights, titles, good-will, and interest of any nature whatsoever, including but not limited to any and all intellectual property rights,

in particular copyrights, trademarks, trade secrets, design patent, patent rights and/or design rights, relating to the Products, the Product designs, the glassware samples and the glassware sample designs and prototypes, including, but not limited to, the respective drawings, tools, shapes and molds.

**11.2.** Any and all tools, molds, drawings, plans and prototypes provided to a Customer are the sole property of TG, including but not limited to any and all intellectual property, even if Customer bears the costs of their acquisition in part or in full, and will not be handed over at the end of any kind of cooperation or contract.

**11.3.** Customer is entitled to the restricted use of the Brands and/or Trademarks affixed to the Products or their packaging in its unchanged and originally packed form, in order to identify the Products. By doing so, Customer does not acquire any rights or licenses to the Brands or the Trademarks, or any other proprietary material of TG or its licensors. Customer undertakes to refrain from any other use.

**11.4.** Any use of the Brands, the Trademarks or of any other intellectual property of TG or of TG's licensors, as well as photos or videos thereof, in publications, electronic (internet) advertising, social media pages, or printed matter is only permitted upon prior written authorization of TG. In addition, Customer undertakes not to use any marks or signs that are likely to be confused with those of TG or of TG's licensors, or with "Riedel", "Spiegelau" or "Nachtmann" or similar marks or signs or to have them protected in whatever form, in any jurisdiction.

**11.5.** Any and all materials and related documentation TG provides to Customer hereunder or through any contract together with any and all rights, titles and interests in the intellectual property, including but not limited to the Brands, the Trademarks, or any other proprietary material of TG and its licensors as well as all goodwill and copyright, in and arising from the Brands and the Products, vested therein or related thereto, remain the sole and exclusive property of TG or its licensors. Documents such as catalogues, brochures, illustrations, photos, videos, and the like as well as samples and designs remain at all times the intellectual property of TG or TG's licensors, protected by the relevant statutory provisions regarding reproduction, imitation, competition, etc. Customer undertakes not to make such material and documents available to third parties, either in whole or in part, without TG's prior written authorization or to use them for any purpose apart from the purpose for which they were handed over to Customer.

In case an authorization is granted that allows Customer to make such material and documents available to third parties, Customer shall be obliged to impose all obligations arising out of these T&Cs upon such third party. Customer remains liable to TG for any acts or omissions of such third party, and Customer shall hold TG and its affiliates harmless from any and all claims and expenses (including reasonable attorney's fees) arising out of or related to any such acts or omissions. If no Order is placed, Customer must return all material and documents.

**11.6.** Any use of the Brands or of any intellectual property rights of TG or of TG's licensors on social media platforms such as Facebook, Twitter, Instagram, TikTok etc. or any setting up of a "Riedel", "Spiegelau" or "Nachtmann" account on such social media platforms shall only be permitted upon prior written consent of TG.

## 12. Retention of Title.

**12.1.** TG shall retain title to the Products and samples delivered until full payment is received for such Products and/or samples by TG.

**12.2.** However, Customer is entitled to resell the Products in ordinary business in the usual way customary in the trade. If Products, which have not been paid for yet are sold, Customer shall assign the claim thus arising vis-à-vis third parties to TG. TG shall be entitled to disclose the assignment. Customer shall immediately make available to TG all information required in order to pursue all claims and agrees to comply with all formalities that may be necessary for a valid assignment.

**12.3.** Customer is not entitled to pledge or hand over Products of TG that have not been paid for as security. Customer is obliged to claim the title of TG to the Products in relation to third parties and to notify TG immediately in writing if third parties assert claims with respect to the Products or if execution is initiated.

## 13. Severability.

If any provision of the T&C is deemed ineffective or adjudicated to be invalid by a competent authority, the validity of the remaining provisions shall not be affected. The Parties shall agree on a new effective provision which comes as close as possible to the commercial purpose of the ineffective provision without delay.

## 14. Applicable Law, Place of jurisdiction.

**14.1.** The T&C and the contract concluded with Customer including the pre- and post-contractual phases and effects shall be governed by and shall be interpreted in accordance with **Austrian law**, excluding its conflict of law rules and the provisions of the UN Sales Law (CISG – United Nations Convention on Contracts for the International Sale of Goods).

**14.2.** The exclusive jurisdiction of Kufstein District Court, Austria, or Innsbruck High Court, Austria, (depending on jurisdiction over subject) is agreed for any and all disputes arising from or in relation to the contract concluded with Customer or the T&C underlying the contract, including the pre- and post-contractual phases and effects. However, TG is free to sue at Customer's registered office.
