YOUR GUESTS WILL FEEL SPECIAL

Since 1889, the name Lenox has represented the highest standards of artistry and quality in dinnerware and tableware. We have been honored to create the official White House table service for Presidents Wilson, Roosevelt, Truman, Reagan, Clinton and Bush. And we take great pride in making all of our bone china place settings in the United States.

For the restaurant and hospitality industries, Lenox offers the perfect balance between innovative design and lasting durability. Whether for fine dining, casual or traditional style restaurants, or for cutting edge cuisine, Lenox china patterns provide aesthetically exciting platforms for displaying a chef's creations. Yet each bone china piece is resilient enough to withstand the most arduous daily usage.

AMERICA'S ONLY TRUE BONE CHINA DINNERWARE

Lenox bone china dinnerware is manufactured in Kinston, North Carolina at a 218,000 square foot plant that includes a state of the art laboratory testing facility. Lenox is the only American company that casts its bone china with 50% bone ash. This results in products possessing extraordinary inner strength and unsurpassed chip resistance backed by a lifetime warranty against chipping.

UNMATCHED QUALITY AND SERVICE

Whatever the style of a restaurant, the nature and scope of a menu or size of a budget, our exceptional variety of smartly styled shapes and diverse designs coordinate with virtually any décor. Lenox offers hotels, restaurants, country clubs, caterers and executive dining facilities many creative tabletop presentations that satisfy their every need. Our 120 year history of high quality product, superior customer service, unique designs and the ability to customize our patterns assures you of 100% satisfaction guarantee.

OPAL INNOCENCE CARVED

Opal Innocence Carved™

Opal Innocence classically carved china pattern takes on a casual flair, yet transitional in style in white bodied porcelain. The scroll motif, in raised relief is decorative yet suitable for any food presentation. This pattern is great for tea service or catering events. The curved rim adds a touch of elegance to any venue.

● FINE BONE CHINA DINNERWARE

FLATWARE

World renowned for its Superior Craftsmanship and Design in tabletop products, Lenox offers the beauty of silver in fine Heavyweight 18/10 Stainless Steel. In the splendid tradition of Lenox each piece is beautifully designed in “Dinner” sizing and crafted for your lifestyle. Each piece is designed for Superior Functionality to create perfection in balance & proportion. Ideal for casual or formal dining.

Each piece of Lenox stainless has a Lifetime Limited Warranty against any manufacturing defects in materials and workmanship for the lifetime of the piece.

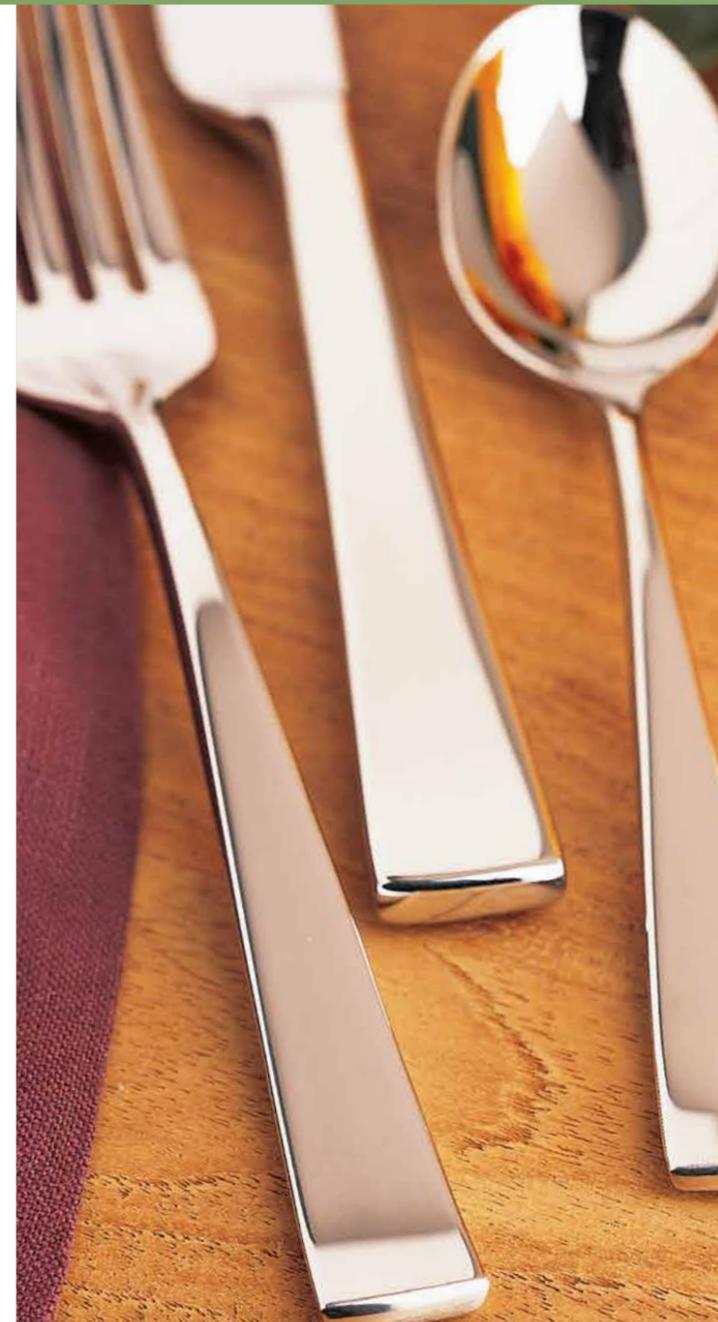

Abington Square™

Simply classic at casual meals and polished for fine dining, Abington Square flatware provides a chic, tasteful upgrade for every table. Elliptical hollow handles start and end with pronounced banding crafted in 18/10 stainless steel.

Argento™

The Argento pattern features 18/10 stainless steel crafted into sleek, concave handles for a contemporary look and feel. Clean lines make Argento the perfect choice for both formal and casual dining.

BARWARE AND ACCESSORIES

Lenox barware is made of the highest quality materials available. Our professional design offers superior performance with a sophisticated look. Lenox glassware is made to be beautiful and durable. All of our barware buckets are double-walled stainless steel, offering the best performance. Our ice buckets can also be customized to enhance the value to your guests' experience.

Blush™

The Blush Glassware line was developed for the high demands of the food service market. The shape of each glass will enhance the drinking experience. Our stems and barware are rim toughened to hold up in service. Our glassware is made of a material with high strength. This gives the product excellent thermal shock and mechanical impact resistance.

CUSTOM ORDER PROGRAM

CUSTOM ORDERS ARE OUR SPECIALTY

The Lenox factory in Kinston, North Carolina specializes in customizing giftware and dinnerware products to meet the particular needs of its customers.

At Lenox we know that each individual restaurant is special. One of the most important goals of any dining establishment is to create an atmosphere for the guest that enhances their food and dining experience. Lenox's custom program allows that individuality to shine. Our design team works with your team to perfect the presentation and add value to your products.

AT LENOX

**WE MAKE CUSTOM QUICK,
EASY AND EFFECTIVE.**

Our design team can take a project from start to finish in as little as 3 weeks. Our process is thorough, starting with concept visualizations from which hand samples are created and finally production pieces are provided for approval. All of this occurs quickly and efficiently, while making sure we keep the customer involved the whole way through.

With Lenox's custom program the benefits are tremendous. **WE CREATE YOUR CUSTOM LOOK AT VALUE PRICES.**

The quality and permanence of the decoration are guaranteed by a lifetime chip warranty and free replacement of the decorated piece. At Lenox, the decoration is applied underglaze to prevent wear and tear while maintaining quality performance.

CUSTOM ORDER PROGRAM

CUSTOMIZING YOUR DINNERWARE CREATES VALUE by:

- Differentiating your brand
- Providing plating and appearance guides for consistent guest value
- Helps maintain the cost of food/beverage with plating and pour lines

Lenox custom program has no minimum order quantity (although we recommend 144 pieces) we have a plus or minus on all orders of 10% to 20% and reorders are usually case quantities (depending on the original order). We deliver quickly and efficiently since our factory is right here in the USA. Let Lenox design a custom look for you and make your guest feel special.

**LET LENOX
DESIGN A CUSTOM LOOK
FOR YOU AND MAKE YOUR
GUEST FEEL SPECIAL.**

REED & BARTON

MEMBER OF THE LENOX FAMILY OF BRANDS
Lenox is proud to welcome Reed & Barton to its distinguished family of quality name brands. Since 1824, the Reed & Barton name has represented the highest standards of artistry and quality, a tradition that will continue as part of the Lenox family.

SERVEWARE

Since 1824, the Reed & Barton name has represented the highest standards of quality and artistry. Today, we are creating modern interpretations of essential tableware and accessories, all inspired by classic vintage pieces. We're making tradition modern by blending timeless designs, distinctive quality, and our own unique heritage, creating an upscale experience.

Heritage™ Collection

PEWTERPLATE

The Heritage Collection centers on modern interpretations of essential tableware items and accessories, all inspired by classic vintage pieces. Reed & Barton's frequent collaborator, designer Thomas O'Brien, provides creative direction and inspiration with some of his own antiques as well as refocusing on historic metalwork techniques from the Reed & Barton repertoire. The entire collection is crafted in simply elegant non-tarnishing pewterplate.
