I. GENERAL INFORMATION

SILK SCREEN DECORATION:

When decorating glass using the screen printing process, color is pressed through a silk screen onto the glass surface and then fixed to the glass during a temperature treatment. The colors used by RIEDEL are organic and do not contain heavy metals (such as lead, barium, etc.) or other toxic components. These colors exhibit high resistance to dishwashing, although compared to ceramic colors, they have lower mechanical resistance.

ATTENTION:

The water hardness for cleaning glass should not be less than 3°d.H.

Glasses with organic colors should be placed in the dishwasher in such a way that they do not come into contact with each other during the washing process. If cleaning the glasses by hand, please avoid using a scouring brush or abrasive detergents.

Please be aware that fully desalinated water is extremely aggressive to both the glass surface and screen print decoration.

II. PROCESS INSTRUCTIONS

1. A quantity of +/- 10% compared to the order quantity must be accepted by the client for all refinement processes involving logos and/or pour lines/aids.
2. A feasibility check for logo application needs to be conducted before placing the order. The customer must provide artwork in a high-resolution format (.eps preferred).

If Tiroler Glashütte GmbH reproduces the logo artwork, a lump sum fee of EUR 300.00 applies.

3. A tooling fee of EUR 175.00 applies for logo application.
4. This information applies only to machine-made glasses.
5. **Important:** The CE calibration mark is placed next to the filling line on the bowl as standard. CE calibration marking on the base is possible, but represents a separate finishing process and is subject to an additional charge.

MICROFIBER POLISHING CLOTH

- Wash with odorless soap
- Should be machine washed at 140° F/60° C
- Never use fabric softener when rinsing your microfiber polishing cloth (avoids grease film on surface)

CARING FOR YOUR RIEDEL CRYSTAL

- MOST RIEDEL GLASSES ARE DISHWASHER SAFE!
- RIEDEL exclusively recommends Miele dishwashers.
- To avoid scratches: Avoid glass contact with other glass or metal. If available use a stemware rack.
- To avoid stains: Use soft water (low mineral content).
- To remove stains: Use white vinegar.

FOR INFORMATION ON GLASS CARE
AND HOW TO WASH GLASSWARE,
VISIT RIEDEL.COM.

IF WASHING BY HAND

- Wash the glass under warm water (use detergent and rinse the glass carefully)
- Glass polishing: Use two polishing cloths, never hold the glass by the base to polish the bowl
- Stem snap: Occurs through mishandling = torque or bend pressure at the stem
- Storage: Avoid glass storage in kitchen cabinets which have strong aromas that translates into glass

For a perfect result

1. Wash under warm water, detergent is not necessary

2. Place on linen to drain for the time being

3. For extra shine, steam over boiling water

4. To polish use microfibre polishing cloths

5. Hold glass by base and polish

6. Use one hand to cradle the bowl and polish with your other hand

NEVER twist the base and bowl

7. Perfect result

CAUTION: A RIEDEL glass is a grape varietal specific wine tool! This shape works best with wines made from specific grapes. Please read the instructions below to guarantee maximum enjoyment. RIEDEL has researched the

grape varietal sensation, leading to the conclusion, on which the world's wine experts agree; that the enjoyment of aroma, taste, texture and finish of a wine, is maximized by using the right "WINE TOOL"

Rules when handling connoisseur glasses

1 Filling the glass

Do not over-pour. This will ensure maximum development of the wine's bouquet, and also provide the most elegant table setting.

2 Holding the glass

The appropriately filled glass should always be held by the stem rather than the bowl.

3 Swirling the glass

Carefully swirling the glass allows oxygen into the wine by increasing its surface area and helps release the wine's rich, mature aroma.

4 Why and how to decant wines

To decant wine means to transfer it from its bottle to a decanter or carafe before drinking. During storage or aging, wine can develop a solid deposit or sediment at the bottom of the bottle. Decanting is an easy means of separating the sediment from the wine. It also helps the wine breathe, as the greater surface diameter lets more oxygen reach the wine than the bottle does.

5 Wine temperature

Before decanting/or serving wine, store it at appropriate temperatures (red wine 59–63°F, 15–17°C, white wines at 50–54°F, 10–12°C). The proper serving temperature enhances the quality of the wine by allowing it to fully develop its characteristic aromas and flavours.

(1) *Riedel*

(2) **RIEDEL**

The RIEDEL TRADEMARK dates from the Art Nouveau period at the end of the nineteenth century, and was used for RIEDEL glassware made in Bohemia from 1890 to 1925. In 1996, to commemorate RIEDEL'S 240th anniversary, we reintroduced this trademark for all our handmade and hand-finished products. The distinctive Riedel signature is now featured on the base of all these products. This signature trademark (1) helps our customers to distinguish immediately between handmade, hand-finished products and those made by machine (2). Our machine-made products carry this trademark. The RIEDEL glass dynasty is built on the creative energies of a long line of glassmakers. The story begins in 1756 in Bohemia and continues right down to the united Europe of today, taking in on the way some of the most dramatic events in European history.

Effective from 1 March 2025

1. Scope of Application.

All provisions of goods and services by Tiroler Glashütte GmbH ("TG") to or for the benefit of each customer of TG (the "**Customer**") shall be subject to the Terms and Conditions of Contract of TG (the "**T&C**"), unless otherwise expressly agreed upon in writing and signed by TG. By placing an order with TG for the supply of products sold by TG (the "**Products**") and/or for services provided by TG or otherwise accepting the supply of Products and/or of services by TG (or any part thereof), Customer (a) agrees to purchase the Products and services on and subject to the T&C, and (b) acknowledges and agrees that, in respect of any other terms and conditions (including terms and conditions accompanying any purchase order or received from Customer): (i) those other terms and conditions are not effective and TG will not be bound by them, and (ii) the T&C supersede and replace any such other terms and conditions in their entirety; unless such other terms and conditions are duly acknowledged and expressly agreed to in writing and signed by TG. For the avoidance of doubt, the acceptance of orders or performance of services by TG shall not be regarded as the grant of any entitlement to future fulfilment of orders or provision of services by TG, and nothing in the T&C shall be construed as creating a relationship of exclusivity between Customer and TG.

The T&C consist out of the following separate documents and form all together the T&C: (a) these General Terms and Conditions of Contract of TG; (b) the respective printed or digital price books of TG applicable to the Customer (the "**Price Books**"); (c) the respective Payment & Delivery Term Sheets of TG applicable to Customer (the "**Payment & Delivery Terms**"); (d) the Riedel Corporate Branding Policy & Quality Standards; and (e) the information according to Clause 3.1.

2. Orders, Packaging, Quality Control, Marketing Support.

2.1. All orders by Customer (the "**Orders**", or each an "**Order**") shall become legally effective and binding on Customer upon TG's delivery of its written acceptance of each such Order (an "**Order Confirmation**") or, in the absence of such Order Confirmation, by delivery of the Products comprising such Order to Customer. TG will communicate expected lead-times of Products in the respective Order Confirmation (in this context also see Clause 6.5).

2.2. Customer may only modify or cancel an Order until receipt of the Order Confirmation for such Order by TG (or, in the absence of such Order Confirmation, delivery of the Products comprising such Order), but under no circumstances shall Customer be permitted to modify or cancel an Order more than five (5) calendar days after placing such Order. Once an Order is confirmed by TG or delivered to Customer, such Order may not be modified or cancelled by Customer except with the prior written consent of TG, in which case Customer will be liable to TG for all costs, expenses and other losses that incur or were incurred by TG in connection with such modification or cancellation.

2.3. TG reserves the right, in its sole discretion, to: (a) reject any Order at any time before an Order Confirmation is given (or, in the absence of such Order Confirmation, before delivery) without giving reasons; (b) cancel any Back Orders (see Clause 2.9) at any time on reasonable grounds by giving Customer notice of such cancellation; and/or (c) accept Orders only with respect to amounts that from experience correspond with usual quantities ordered by enterprises of comparable size.

2.4. Customer shall comply on all its Orders with all specifications advised by TG regarding minimum Order values and minimum Product Orders, including those set out in the T&C.

2.5. Special Orders: The requirements for minimum Orders for Products not listed in TG's Price Books (the "**Special Orders**") are set forth separately in the applicable Payment & Delivery Terms. Special Orders require a deposit as defined by TG on an individual case-by-case basis. Special Orders can be combined with any other Orders to meet Order minimums. Special Orders can only be ordered in the amount of full master packs. No cancellations, modifications or (unless the Products are Defective Products, see Clause 8.) returns on Special Orders are permitted.

2.6. Value Packs: To the extent permitted by law, Value Packs where TG supports certain benefits (e.g. where packages of Products can be purchased with free Products) must be passed on to the end-consumers in at least the same way. Value Packs may not be unpacked or repackaged by the Customer and the Products contained therein may not be sold individually.

2.7. Limited Editions: TG reserves the right to offer Products marked as "Limited Edition" in a certain amount and for a certain time period and under certain allocation criteria to Customer.

2.8. Glassware marked as "**On-Premise Glass Collection/Glassware**" (the "**On-Premise Products**") is reserved for the hospitality industry only, and is not intended for resale, the retail trade and/or for the end-consumer. On-Premise Products are included in TG's On-Premise Price Books. "**Retail Products**" means Products designed and manufactured for the purpose of being sold to retailers for further retailing to end-consumers. Retail Products are included in TG's Retail Price Books.

2.9. Back Orders: If an ordered Product is out of stock, TG will immediately notify Customer and will automatically place the Product on back order, and send the stock as soon as it becomes available (the "**Back Order**"). If Customer does not want the Product comprising such Back Order, Customer shall advise TG within five (5) calendar days after receipt of such Back Order notification accordingly in writing, otherwise Back Orders cannot be modified or cancelled by Customer any more. All Back Orders are subject to cancellation on reasonable grounds by TG at any time in accordance with Clause 2.3.

In the event of cancellation, Customer will be refunded accordingly for any consideration already paid.

2.10. Customer acknowledges that the packaging and the labeling of the Products as applied by TG is critical to maintain the brand recognition and image of the respective Brands (as defined in Clause 3.2). Consequently without the explicit prior written authorization by TG, Customer shall not modify, remove, deface, obscure, cover up, or otherwise make illegible or unreadable any unique identifying label, mark, tag, scan code, or identification number (including but not limited to bar codes, RFIDs, and QR codes) that is howsoever affixed to any Product or its packaging.

2.11. Products shall not be unpacked from their original packaging as shipped by TG to Customer and/or be repacked by Customer. Instead, Products shall be sold by Customer in its respective original packaging, unless the unpacking and/or repacking was firstly expressly authorized by TG in writing (collectively, "**Authorized Packaging Changes**").

2.12. In case of Authorized Packaging Changes, Customer shall ensure that the unpacked and/or repackaged Products and the packaging used by the Customer (the "**Customer Packaging**") comply with all applicable laws, rules, and regulations, including but not limited to those laws, rules, and regulations that concern such Products' and Customer Packaging's labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and sale, and Customer shall indemnify, defend, and hold harmless TG and its affiliates for any violations or alleged violations thereof. TG and its affiliates shall not be responsible for and Customer shall indemnify, defend and hold TG and its affiliates harmless from, and against, any and all claims, suits, losses, damages, demands, injuries, costs and expenses (including reasonable attorney's fees) arising out of or related to Authorized Packaging Changes, including but not limited to any damage or loss arising out of the labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and/or sale of the Products and/or of the Customer Packaging.

2.13. In case Customer elects to purchase TG's Product comprising two wine glasses within packaging permitting Customer's inclusion of one bottle of wine (the "**2 Glasses 1 Bottle Product**"), Customer shall ensure that the 2 Glasses 1 Bottle Product complies with all applicable laws, rules, and regulations, including but not limited to those laws, rules, and regulations that concern such 2 Glasses 1 Bottle Product's labelling, marking, tagging, waste management, packaging, marketing, storage, distribution, handling, cleaning and sale, and Customer shall indemnify, defend, and hold harmless TG and its affiliates for any violations or alleged violations thereof. TG and its affiliates shall not be responsible for and Customer shall indemnify, defend and hold TG and its affiliates harmless from, and against, any and all claims, suits, losses, damages, demands, injuries, costs and expenses (including reasonable attorney's fees) arising out of or related to 2 Glasses 1 Bottle Products, including but not limited to any damage or loss arising out of the labelling, marking, tagging, waste management, boxing, marketing, storage, distribution, handling, cleaning and/or sale of the 2 Glasses 1 Bottle Product.

2.14. Customer understands that TG's ability to exercise proper control of the compliance with ethical principles and effect proper quality control measures, including but not limited to quality control oversight over the Brands, Trademarks and Products, requires TG's unfettered ability to track its inventory at all stages of the Products' global supply chain. Accordingly without the explicit prior written authorization by TG, Customer acknowledges and agrees that Customer will not under any circumstances remove, deface, obscure, cover up, or otherwise make illegible or unreadable any unique identifying label, mark, tag, scan code, or identification number (including but not limited to bar codes, RFIDs, and QR codes) that is howsoever affixed to any Product or its packaging.

2.15. In the event that Customer, as determined by TG in its sole discretion, is found to have violated any part of **Clause 2.6., 2.10., 2.11., 2.12., 2.13 or 2.14**, TG shall be entitled to suspend or terminate Customer's status as an authorized purchaser and/or reseller of the Products with immediate effect, and TG reserves all rights and remedies it may have against Customer that may be available to TG pursuant to the T&C, any other agreement entered into or otherwise governing the relationship between TG and the Customer, applicable law, or otherwise.

2.16. TG does not provide Customers with any kind of marketing support, unless decided by TG in its sole discretion on an individual case-by-case basis. In the event that TG elects to grant any kind of marketing support to Customer, under no circumstances shall TG be obligated to complete or otherwise continue such marketing support or provide any future marketing support. In the event that for any reason, as determined by TG in its sole discretion, the Customer's status as an authorized purchaser and eventually reseller of the Products, as applicable, is suspended or terminated, TG reserves the right to terminate any marketing support with immediate effect or until further notice, and TG will not accept any invoice deductions for marketing support following any suspension or termination. Under no circumstances and at no time shall Customer be entitled to reimbursement for any kind of investments, or for any costs/expenses of promotional events or of promotional material of any kind whatsoever regarding the Brands (see Clause 3.2), irrespectively if Customer organized such events itself or via third parties or purchased such material from TG or from a third party.

3. Customer Obligations.

Customer hereby agrees at all times to observe and abide by the obligations (the "**Customer Obligations**") as outlined in this **Clause 3**.

3.1. Retail-Customers may sell Retail Products received from TG to end-consumers. Active sales to certain groups of resellers or to any kind of resellers in certain territories,

GENERAL TERMS AND CONDITIONS OF CONTRACT OF TIROLER GLASHÜTTE GMBH 2025 ("TG").

which TG has reserved for itself or exclusively allocated to third party dealers are prohibited. The groups of resellers and territories reserved or exclusively allocated in this way are listed in Annex 3.1. TG shall inform Customer of any changes in a timely manner. These restrictions on active sales must be observed not only by the Customer itself, but also by its direct customers. Customer shall impose these restrictions on active sales on its direct customers.

Passive sales are excluded from the above restriction.

Regulations in the selective distribution system remain unaffected by this Clause 3.1.

3.2. Customer acknowledges its obligation to maintain and promote the extremely high standard of the Products' reputation as comprising some of the world's finest glassware, the goodwill symbolized by the "Riedel", "Spiegelau" and "Nachtmann" brands (the "Brands"), and the associated trademarks (together the "Trademarks") and trade dresses and Products, and to further refrain from any conduct that could be viewed as disparaging on the image of the Products, the Brands, the Trademarks, TG and its affiliates, and shall include, but shall not be limited to, the selling of the Products to or via low-cost mass merchandisers or low-cost discount stores that were not specifically authorized by TG in writing, and the selling of the Products next to other goods that are infringing upon the intellectual property rights of TG or of its licensors.

3.3. Customer will conduct and maintain at all times its business as it relates to the Products in compliance with the T&C, and all applicable laws and regulations. Customer agrees not to engage in any unfair trade practices.

3.4. Customer will comply with all quality control standards, including, but not limited to, advertising, storage, and shipping requirements, as notified from time to time by TG. Any changes made by TG to such standards will apply to future Orders placed following such notification.

3.5. Customer will comply with the Riedel Corporate Branding Policy & Quality Standards. TG reserves the right to change the Riedel Corporate Branding Policy & Quality Standards from time to time in its sole discretion by notification to the Customer, with any such changes applying to future Orders placed following such notification.

3.6. If Customer is found, as determined in TG's sole discretion, to have culpably breached (even in part) any of Customer's obligations contained in Clause 3, Customer shall indemnify TG against any costs and liabilities, including litigation costs and attorneys' fees incurred in the defense of any civil, criminal or administrative action, complaint or claim against TG, its affiliates or its officers, employees or agents arising out of a breach of any provision of Clause 3.

3.7. If Customer is found, as determined in TG's sole discretion, to have culpably breached (even in part) any of Customer's obligations contained in Clause 3, TG shall, in its sole discretion, be entitled to suspend or terminate Customer's status as an authorized purchaser and/or reseller of the Products with immediate effect, and TG reserves all rights and remedies available to TG under the T&C, any other agreements entered into or otherwise governing the relationship between TG and the Customer, or applicable law, or otherwise. In such cases, TG is also entitled to cancel confirmed Orders.

4. Prices.

4.1. The prices for the Products and/or services are as set out in the respective applicable Price Books and Payment & Delivery Terms provided to Customer by TG from time to time. TG in its sole discretion, reserves the right to change the Product assortment and/or the service assortment as well as the prices for the Products and/or services at any time, with such changes applying to future Orders placed.

4.2. All prices are stated in Euro, or – at TG's sole discretion – in another currency depending on the Customer address. Unless otherwise stated in the respective applicable Price Books or Payment & Delivery Terms all prices are stated net per sales unit, EX WORKS („EXW“, INCOTERMS 2020) TG warehouse ("EXW TG Warehouse"), Germany, excluding the shipping packaging. Prices are exclusive of statutory VAT or other taxes, fees or duties. If VAT is payable, it will be stated separately in TG's invoice. TG issues its invoices in Euro, or – at TG's sole discretion – in another currency depending on Customer's address, whereby the prices applicable at the time of the Order shall apply.

4.3. Unless otherwise agreed in writing with the Customer, TG shall choose the shipping packaging at its own discretion. The Customer shall be invoiced for crates, Collico containers, cartons, etc. If VAT is incurred for the provision of the shipping packaging, this shall be shown separately in the TG invoice in accordance with the applicable statutory provisions.

4.4. If Products are dispatched at the Customer's request, the Customer will also be invoiced for the shipping costs (see Clauses 6.3. and 6.4.).

5. Terms of Payment.

5.1. The **payment terms** are regulated in the respective applicable Price Books and Payment & Delivery Terms. TG in its sole discretion, reserves the right upon notice to the Customer (a) to change the payment terms at any time, with such changes applying to future Orders placed, and/or (b) to suspend or refuse fulfilment of any contract with Customer, if in the opinion of TG, this is necessary due to Customer's financial situation or payment history.

5.2. TG may ask for a payment confirmation to be issued by a bank accepted by TG. Payment will be deemed effected as soon as TG is able to freely dispose of the same at its registered office. If payments are effected in freely convertible currencies other than the invoicing currency, Customer will bear the exchange rate risk. Any bank charges

in connection with payments are at Customer's expense. Customer acknowledges its obligation to pay default interest of 11% p.a. as of the due date.

5.3. Any claims, counterclaims or claims for compensation of Customer shall not entitle Customer to any extension of the period stipulated for payment, nor shall any such claims or counterclaims serve as a set-off against or otherwise be used to justify non-payment of all amounts owed to TG by Customer. Notwithstanding this, offsetting is possible if the claim, counterclaim or claim for remuneration is undisputed or has been recognized by declaratory judgement.

5.4. An eventually granted cash discount may only be deducted, if all outstanding invoices have been fully paid by Customer.

5.5. TG is not obliged to accept checks or bills of exchange; they will only be credited as payment subject to them actually being honored to the value to which they are at disposal. All costs incurred in connection with acceptance of bills of exchange or checks, in particular discounting charges and interest, shall be borne by Customer.

5.6. Each delivery by instalment shall be deemed an independent transaction for billing and payment purposes.

5.7. If (a) Customer defaults in payment under the T&Cs and has not remedied that failure within five (5) calendar days; OR (b) all or substantially all of the assets of Customer are sold or otherwise transferred; OR (c) there is a change in control with respect to Customer; OR (d) the legal form of Customer is changed; OR (e) in the reasonable opinion of TG, Customer's financial situation changes or deteriorates materially (e.g. a bill of exchange or cheque provided by Customer is not honored); OR (f) at any time TG considers (acting reasonably) that Customer is a credit risk, THEN:

(i) Customer's account will be put on immediate and automatic credit hold, and TG will not accept any new Orders and/or process any new or existing Orders of the Customer; (ii) all outstanding accounts receivable, also under bills of exchange, will become due for immediate payment irrespective of their due date; and (iii) TG shall be entitled to suspend (until the matter has been resolved or the outstanding amount including interest has been credited to the TG's account), terminate or cancel all current contracts and/or Orders; and (iv) TG shall be entitled to stop all deliveries to Customer, to request damages from Customer in lieu of performance, require pre-payment or proper security before making any delivery, or effect delivery only against full cash amount payable on delivery (if Customer has already advanced any payments in relation to terminated or cancelled Orders, TG will refund those amounts or allocate/offset them accordingly); and (v) TG will retain title to Products that have not been paid for as described under Clause 12. and TG may consequently demand the return and collect any such Products that are in the possession, custody or control of the Customer.

6. Terms of Delivery and Passing of Risk

6.1. The **delivery terms** applicable to Customer are regulated in the respective applicable Price Books or Payment & Delivery Terms. TG in its sole discretion reserves the right upon notice to the Customer to change its delivery terms at any time, changes applying to future Orders placed.

6.2. Unless otherwise stated in the respective applicable Price Books or Payment & Delivery Terms or agreed in writing by TG, all deliveries will be effected EXW TG Warehouse, Germany, per address RSN Logistik GmbH, Weiden i.d. Of., Germany.

6.3. In case the respective applicable Price Books or Payment & Delivery Terms offer accordingly and if so requested by Customer and agreed in writing by TG, Products can be shipped to a different destination at Customer's cost and sole risk. Save when otherwise agreed, TG is entitled to determine the kind of shipment (in particular the forwarding agency, shipment route, packaging).

6.4. If Products are shipped to a different destination upon Customer's request and TG's written confirmation, the risk shall pass to Customer on the Products' handover to the person designated to carry out shipment. Customer shall assume all risk to Products during transportation thereof, TG shall not be obligated to replace or credit Customer for Products that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation, and Customer shall be solely responsible for filing any and all claims for loss or damage with the responsible entity or entities.

6.5. Deliveries will be made by TG according to its operational capabilities. Communicated lead-times refer to EXW TG Warehouse dates and are estimates only and are not binding; lead-times for Special Orders and Limited Editions will be communicated to Customer on a case-by-case basis, also refer to EXW TG Warehouse dates and are estimates only and are not binding. To the extent permitted by law, TG shall not be liable for failure to meet these non-binding lead-times. Claims for damages in this respect due to non-performance or late performance are excluded, and the Customer waives all claims against TG and its affiliates for damages and other liabilities arising out of or due to actual or alleged non-performance or late performance by TG.

6.6. TG will observe commercially reasonable efforts in its observance of the T&C, which observance shall be subject to unforeseeable events or events not otherwise contemplated by the T&C. TG will not be responsible for any delay or failure to perform its obligations under the T&C or otherwise, which arises out of or is due to unforeseeable events or events independent of the intention of the parties, such as events of force majeure ("Force Majeure Event"), including, by way of example and not of limitation, all events of pandemics, epidemics, war, terrorist actions, interventions, instructions and prohibitions of official authorities, delays in transport and customs clearance, transport damage, inclement weather, lack of energy, financial crisis, labor conflicts as well as delays in delivery on the part of suppliers for any reasons. Delivery times shall be extended

GENERAL TERMS AND CONDITIONS OF CONTRACT OF TIROLER GLASHÜTTE GMBH 2025 ("TG").

accordingly reasonably in the event of Force Majeure, whereby TG may also cancel the delivery in whole or in part after the expiry of three (3) months after the occurrence of the Force Majeure Event, unless there is merely a temporary impediment to performance. The agreed payment terms shall remain unaffected. In the event of a full or partial cancellation, TG will inform the Customer immediately thereof, and eventual payments made by Customer in advance shall be reimbursed in the corresponding proportion or shall be offset against outstanding receivables.

6.7. Retail Products are shipped in brown master packs (order units). The purpose of the master pack is to protect the inner packaging from scratching and other damages only. Customer acknowledges that a master pack is not designed to be used as a re-shippable outer carton and may not be used as such. If in spite of the foregoing, a master pack is used for re-shipping of Products, the shipping of those Products shall be at Customer's own risk and TG shall have in this respect no liability to the Customer in connection with any damage to those Products.

6.8. The cost of any requested or necessary special packaging and/or the use of special packaging materials for the Products are at Customer's sole expense even if these costs may not be listed in a Price Book or quotation. Customized packaging shall not be offered or provided to Customer unless Customer and TG enter into a separate agreement duly signed by the parties in relation to such customized packaging.

6.9. Regarding Special Orders, TG reserves the right to supply the quantity deviations of +/-5% of the quantity ordered (the "**Permitted Deviation**"), which is customary within the industry. Provided that TG's fulfillment of any Special Order is within the Permitted Deviation, the quantity actually delivered shall be paid for by Customer in full.

6.10. If, pursuant to any Order Confirmation, Products are to be picked up by Customer at a TG warehouse, TG will advise Customer about twenty (20) business days in advance of the delivery date. Partial deliveries of an Order (i.e. deliveries by instalments) are permitted. Customer shall pick-up all available and prepared Products, including partial deliveries of an Order, within ten (10) business days as of the communicated delivery date. If Customer informs TG that Customer will not collect the respective delivery or if Customer fails to pick such delivery within this ten (10) business days window, TG shall be entitled to either (a) partially or in total cancel the respective Order or (b) to store the Products at Customer's cost and risk, whereby delivery to Customer shall be deemed fulfilled and will be invoiced, and to charge warehousing fees for storage of such Products in a customary amount. In the event of cancellation, TG will inform the Customer thereof without delay, and refund or offset against outstanding receivables any payments for the cancelled Products that have already been received.

6.11. If, pursuant to any Order Confirmation, Products are to be shipped to a different destination upon Customer's request (see Clauses 6.3 and 6.4) and are ready for shipment, but cannot be shipped through no fault of TG, or if Customer does not want such Products to be shipped, TG is entitled at its sole discretion to either (a) partially or in total cancel the respective Order, or (b) to store the Products at Customer's cost and risk, and TG is entitled to charge warehousing fees for storage of such Products in a customary amount. In the event of cancellation, TG will inform the Customer thereof without delay, and refund or offset against outstanding receivables any payments for the cancelled Products that has already been received.

6.12. If Customer purchases Products for export, Customer shall bear sole responsibility for proper customs clearance. Upon request, the Customer shall provide TG with evidence of respective customs clearance in a proper form.

7. Partial Delivery.

Deliveries by instalments (i.e. partial deliveries) shall be permitted and may be invoiced. If TG delivers any of the Products by instalments, and any one of those instalments is defective/non-compliant for any reason (as defined in Clause 8.), it is not a repudiation of the contract of sale formed by the T&C.

8. Notice of Defects, Warranty.

8.1. Any defect claims or non-compliances with the contract must be made in writing within **twenty-eight (28) calendar days** from the date of delivery of the Products and in any event prior to their use or re-sale. If there is no such notification of TG, the Products shall be deemed accepted by Customer, unless the defect was not discernible in the examination. Latent defects shall be notified without undue delay after their discovery; otherwise, the Products will be deemed accepted by Customer as well in view of these defects.

8.2. Any defects or non-compliances with the contract shall be notified to TG in writing, including a detailed description and photos of the defects or the non-compliances. TG will provide the remedy described in Clause 8.8 if there are any defects/non-compliance in any Product (including any partial delivery), which are noticeable in the course of due inspection of the Product at the time of delivery which are notified in writing by Customer to TG within twenty-eight (28) calendar days from the date of delivery of the Product or in the case of latent defects immediately after they are recognized (the "**Defective Product**"); otherwise to the maximum extent permitted by law the Products shall be deemed accepted by Customer. Claims under this Clause 8. will be subject to a review and approval process.

8.3. Customer must keep any Defective Products in its possession until TG has sighted the Defective Products and either approved or rejected the Customer's warranty claim under this Clause 8. The inspection can be done either by photos, by on-site inspection or by collecting the Defective Products. The burden of proof lies with Customer in all cases.

Warranty claims under this Clause 8 shall be notified to TG using the contact information: Tiroler Glashütte GmbH, Weissachstrasse 28-34, 6330 Kufstein, Austria, info@riedel.com.

8.4. Customer shall assume all risk to Products during transportation thereof. TG shall not be obligated to replace or credit Customer for Products that are stolen, lost, broken, damaged, or otherwise altered during or as a result of their transportation, and Customer shall be solely responsible for filing any and all claims for loss or damage with the responsible entity or entities.

8.5. Any defects or non-compliances caused as result of a Force Majeure Event are excluded from TG's warranty.

8.6. For glass cladding a warranty of 2 (two) years as of the respective production date (according to bottom stamp on Product) is granted. No warranty is provided for mechanical damages to the surface.

8.7. Customer acknowledges that deviations may occur between Products from the same series for technical reasons and because of the materials used in the course of the production of glass products, in particular with respect to size, weight, ovality, or the vertical axis, which cannot be influenced by TG. Handmade Products or handmade Product parts may be subject to sample and size deviations. Therefore, all such deviations between Products, in particular compared to drawings or earlier deliveries of the same Product, do not constitute any defect. Customer further acknowledges that due to the handcrafting involved in the making of some decanters and glassware, tiny bubbles, slight imperfections, surface variations, and small tolerances in the size and weight of each piece, are a feature and acceptable part of the process and do not constitute any defect.

8.8. In case of a valid claim in respect of any Defective Product, and subject to Clauses 8.4, 8.7, 8.10, 8.11, 8.12 and 8.13, TG will, at its sole discretion, either arrange delivery of a replacement Product (subject to its operational capabilities) or issue a credit note for the price paid by Customer to TG for the Defective Product, but not both. If TG chooses to arrange delivery of a replacement Product (or otherwise requires the Customer to return the Defective Product), Customer is required to return the Defective Product at Customer's cost and risk to the warehouse determined by TG.

8.9. Any and all other warranty claims of Customer shall to the extent permitted by law be excluded.

8.10. The rights described in Clause 8.7 do not apply and TG will not replace any Products broken or damaged if master packs are used for shipping (see Clause 6.7).

8.11. Damaged packaging is not replaceable or refundable.

8.12. The rights described in Clause 8.7 do not apply if a defect/non-compliance arises because Customer fails to observe TG's or a manufacturer's Product or Product packaging instructions, recommendations or guidelines, in particular instructions, recommendations and guidelines for processing, handling, cleaning and use of the Product, or by failing to observe generally accepted Product use practices.

8.13. Decorations of any kind not been made or commissioned by TG, such as engravings, silk-screenings etc., are the sole responsibility and risk of Customer. TG will not be responsible and shall be excluded from any warranty whatsoever, especially but not limited to that heavy metals or other dangerous materials are applied, or if the material used is hazardous to health, or not water-resistant or dishwasher-proof. Customer shall indemnify and hold TG and its affiliates harmless from any and all claims or suits made against TG or against any of its affiliates in connection with any decorations (such as engraving, silk-screening, etc.) made to the Products by the Customer or by any third party not authorized by TG, and all losses, damages, demands, injuries and expenses (including reasonable attorney's fees) incurred by TG in connection with any such claims or suits.

9. Limitations of Liability.

9.1. TG's liability for damages – irrespective of the legal grounds – shall in each case be limited in accordance with this Clause 9.

9.2. Unless expressly provided for in the T&C, TG does not assume any warranties or guarantees beyond the statutory extent with regard to the condition, merchantability, description, quality, suitability or fitness of the Products for a particular purpose, or with regard to design, assembly, installation, materials or processing.

9.3. To the maximum extent permitted by law, TG's maximum aggregate liability under or in connection the T&Cs or their subject matter, whether in contract, tort (including negligence) or otherwise, is limited in respect of each Order to the amount paid by the Customer for that Order.

9.4. TG shall not be liable for any losses that arise if and to the extent that Product or Product packaging instructions, recommendations and/or guidelines, in particular instructions, recommendations or guidelines for processing, handling, use, caring or cleaning of the Products and/or the Product packaging, and/or generally accepted Product use practices are not observed by Customer or its customer or any other person, unless Customer furnishes proof that the damage would have occurred even if the Product or Product packaging instructions, recommendations and/or guidelines had been observed.

9.5. To the maximum extent permitted by law, TG shall not be liable for any losses that arise and shall not be responsible for, and Customer shall indemnify and hold TG harmless from any claims or suits made against TG or against any of its affiliates, and all losses, damages, demands, injuries, costs and expenses (including reasonable attorney's fees) arising out of or related to the purchase, handling, storage, packing, labelling, distribution, promotion, use or cleaning of the Products by the Customer.

9.6. To the maximum extent permitted by law, Customer shall not be entitled to, and

GENERAL TERMS AND CONDITIONS OF CONTRACT OF TIROLER GLASHÜTTE GMBH 2025 ("TG").

hereby releases TG and its affiliates, officers, employees and agents from any additional claims, including but not limited to (a) compensation payments, and (b) compensation for indirect or consequential damages/losses, or punitive damages of any kind, which the Customer or others may suffer, including but not limited to damages (i) for loss of profits or business interruption, (ii) for loss of goodwill, (iii) for loss of savings or opportunity, whether in contract, tort (including negligence) or otherwise.

9.7. TG shall only be liable for damage to the extent that the damage was caused by TG by gross negligence or willful intent. Liability for slight negligence is excluded, except in the case of personal injury.

9.8. In all other respects, TG's liability is excluded. The costs of asserting a claim shall be borne by the Customer.

9.9. The burden of proof lies with Customer.

9.10. TG's statutory liability under the mandatory provisions of the Austrian Product Liability Act (Produkthaftungsgesetz) shall not be limited by the T&C.

10. Returns.

It is only effective in the specific instance and for the specific purpose for which it is granted. A single partial exercise of a right or remedy under the T&C does not prevent a further exercise of that or any other right or remedy. Failure or delay to exercise a right or remedy does not operate as a waiver or prevent further exercise of that or any other right or remedy.

16.4. A reference in the T&C to a financial year is a reference to each 12-month period commencing 1 January and ending 31 December.
