LEATHERETTE COLLECTION

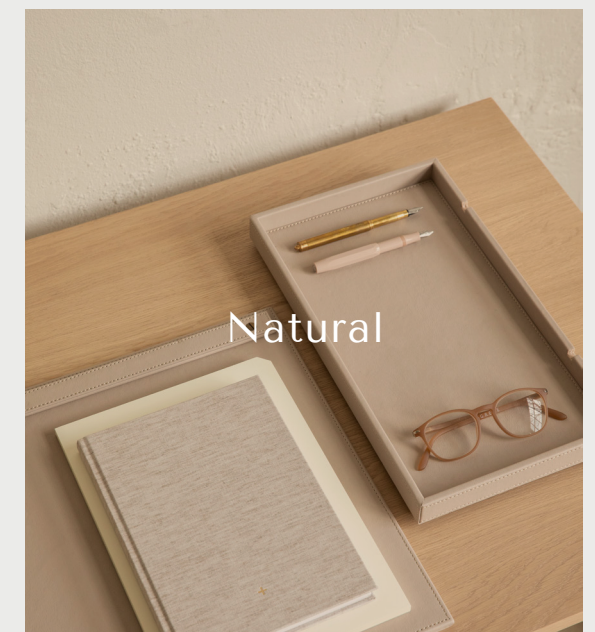

CHOOSE BETWEEN LUXURIOUS AND ORGANIC

We introduce to you our luxurious leatherette collection. Our aim with this collection is to be the 'finishing touch' of your hotel room. The collection comes initially in two colours: New Classic and Natural, which we have carefully selected in order to fit to many hotel room designs. On top of that we offer bespoke solutions, so you can create your own colour and design.

The New Classic collection is focused on the business guest with an authentic taste and eye for detail. The luxurious and classic design and the use of refined materials will make the established business traveler feel at home.

PAGE 4 - 9

The Natural collection is developed for the mindful and conscious leisure traveler. The use of natural light colours and the organic design make this collection fit well to beach resorts and nature (boutique) hotels.
